About the Trainer: Elizabeth Miranda, LCMFT, RPT-S has been a therapist in the Kansas City area for over 15 years. She works with clients of all ages, from the youngest of children ages 0 to 3 to adults and couples. Elizabeth is an EMDRIA Approved Trainer, and utilizes Dr. Robbie's Developmentally Grounded Approach to help clinicians implement this valuable tool with clients of all ages. She and her training team all have experience *implementing EMDR with adults, teens, children AND couples!* Participants often describe Elizabeth as funny, and that her examples and case demonstrations help to make sense of EMDR.
